

# SPANISH K-12 EDUCATION, B.A.

The Language and Culture Program at The College of St. Scholastica offers both a major and a minor in Spanish. The courses in the program combine academic and experiential learning to prepare students with the linguistic and cultural skills to engage in responsible living and meaningful work in Spanish-language contexts. Through the exploration of language, history, culture, literature, service-learning, and contemporary issues in the Spanish-speaking world, the major and minor encourage communicative competency and the appropriate interpersonal/intercultural skills in both foreign and domestic settings. The programs prepare students with a solid background for work in or continued learning about Spanish and Latinx cultures. Students may pursue a Minnesota K-12 license to teach Spanish by completing the Spanish major and the appropriate education courses as specified below.
